

The Hinckley
SCHOOL

Teacher of Science – With leadership responsibilities

RECRUITMENT PACK

THE HINCKLEY SCHOOL

Thank you for your interest in a career with The Hinckley School. We hope that this recruitment pack provides you with all the information you need to start your journey with us.

It is an exciting time to join The Hinckley School, an 11-18 provider proudly serving Hinckley and its surrounding areas. In September 2023, The Hinckley School was rated 'Good' in all areas by Ofsted. This Ofsted report demonstrates our ambition for our students, coupled with a strong sense of community and belonging. With planning approval now received for a new multi-million-pound STEAM build, bespoke year 7 and 8 areas and a refurbished sixth form, our school is committed to 'Building Brighter Futures'.

As our students' progress to GCSE and then onto A Level study, they experience high expectations and inspirational teaching, an extensive range of enriching activities beyond the classroom and a learning environment which fosters self-discipline and aspiration. A bespoke character education programme centred around PRIDE, alongside high-quality pastoral care and excellent academic provision, not only ensures that students graduate from The Hinckley School having secured the destinations of their dreams, but also with the characteristics, strong moral purpose and self-belief to succeed on the modern global stage.

The Hinckley School is committed to building brighter futures for everyone. This commitment is underpinned by 3 clear values:

1. Students first

Teachers and leaders totally focused upon the educational benefit of our students.

2. It's about learning

Students, teachers and leaders focused upon developing and improving their learning.

3. No barriers

No excuses, only support to ensure student, teachers and leaders maximise their achievement.

Due to the growth of our school we are looking to expand our team of dedicated professionals who excel in their field, who can support us to provide a high-quality educational experience for all. If you share our passion for building brighter futures then we would love to hear from you.

- Lisa Hickman, Headteacher

THE FUTURES TRUST

Thank you for your interest in a career with The Futures Trust.

The Futures Trust is a growing Trust with four primary schools and five secondary schools located in Coventry, Warwickshire and Leicestershire. We have 8,000 pupils in our schools and over 1,000 colleagues work for the Trust supporting our school community.

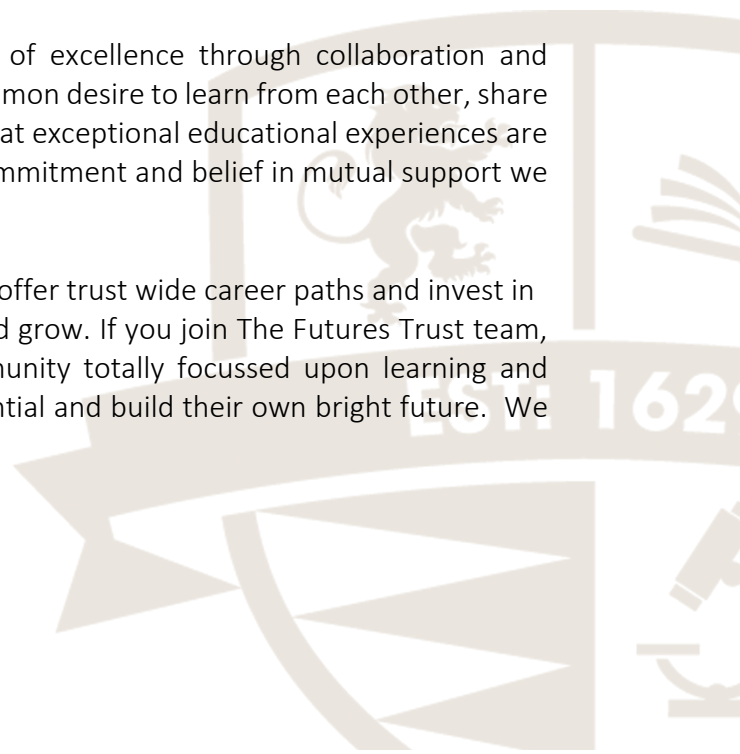

The Futures Trust is committed to building brighter futures for everybody within our trust and the communities we serve.

We are a thriving, vibrant and morally grounded organisation with a deep regard and commitment to our staff and the part they play in our success. We know that every person, no matter what role they perform, is essential to developing outstanding learners and in turn building outstanding schools. That is why we invest in the very best staff and ensure that they are supported carefully to reach their full potential and achieve their aspirations.

The Futures Trust is committed to the principle of excellence through collaboration and partnership. Our schools collaborate through a common desire to learn from each other, share experiences and be mutually supportive in order that exceptional educational experiences are provided for all our students. From this shared commitment and belief in mutual support we gain our sense of belonging.

It is an exciting time to join The Futures Trust. We offer trust wide career paths and invest in outstanding opportunities for our staff to learn and grow. If you join The Futures Trust team, you will be part of a professional learning community totally focussed upon learning and dedicated to ensuring students achieve their potential and build their own bright future. We look forward to hearing from you.

JOB DESCRIPTION

Job Purpose

To encourage learning which allows students to achieve high standards; to share and support the community responsibility for the well-being, education and discipline of all students.

Duties and responsibilities

Responsibilities

- To teach students within the age range 11-19 in accordance with the professional duties of a teacher.
- To carry out duties in line with the management and working practices of the school.
- To ensure excellent outcomes for students.

Strategic Direction

- Develop a structured and sequenced curriculum in a way which helps students to understand and apply core concepts and core knowledge, alongside a love of the subject.
- To work with the Head of Science and all colleagues to ensure that Quality First Wave teaching is embedded across the curriculum.
- Lead on moderation and standardisation of assessments, and regular development of the assessments and 'end points' ensuring that these enable students and staff to know where students are at, know how to improve and show that they have improved.
- Work with the Head of Science to coherently map the core concepts of the Science curriculum.
- Stay current with action research in the education field and develop knowledge retention and metacognition strategies to implement in the Science curriculum.
- Develop and promote communications skills strategies, sharing best practise with the Science Team and across the school.
- Work with Head of Science and other Science Curriculum Leads in developing outstanding resources to support schemes of work.
- Work with Head of Science and other Science Curriculum Leads to embed careers within the curriculum in order to meet Gatsby Benchmark 4.
- Support Head of Science in conducting learning walks, student voice and book trawls.
- Lead collaboratively on enrichment for the department and events such as Year 5 Day, Transition Day and Open Evenings.
- Support Head of Science in the development of a high attaining curriculum for learners.
- Coach and support other colleagues in developing their pedagogy.
- Contribute to and lead on elements of Faculty meetings, Trust meetings and CPDL.

Teaching and Learning

- Assist with the development and implementation of appropriate curriculum, Teaching and Learning and assessment procedure.
- To analyse data to identify under-performing students and develop intervention strategies across the curriculum.
- To develop outstanding subject pedagogy.
- To teach key groups of students within the school and carry out such other associated duties as are reasonably assigned by the Head of Science.
- Support colleagues in the faculty with behaviour for learning.
- Stimulate an interest in the subjects throughout the school through well planned and aspirational enrichment activities and events.

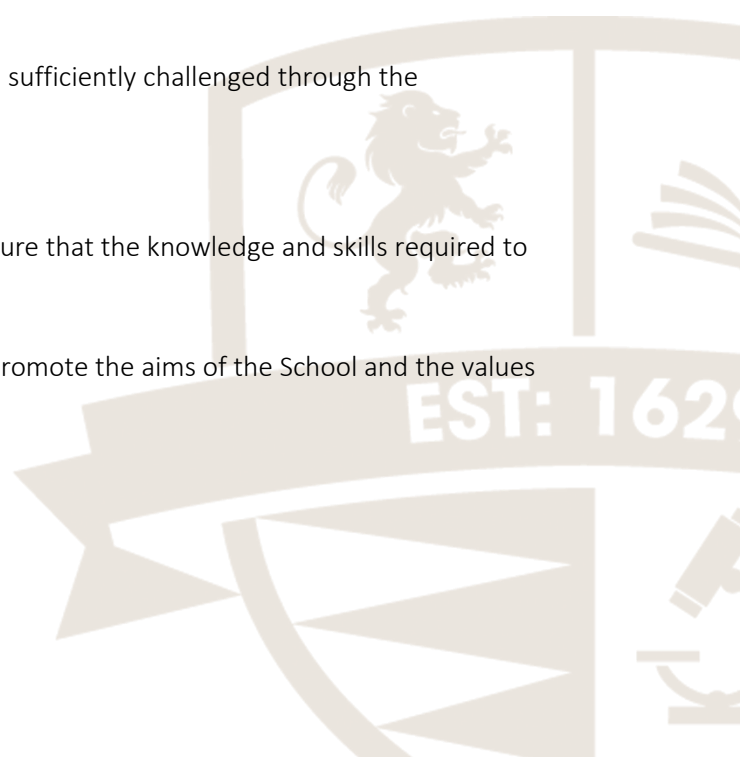

Tutorial Programme and Responsibilities

Under the guidance of the Year Leader:

- To keep an accurate and up-to-date tutor group register and to follow the school's procedures for dealing with students' lateness and absence.
- To give out information and letters for students to take home, ensuring every student receives one, including any absentees.
- To check students' Planner at least once every week for homework set and for messages from parents.
- To check on students' school uniform (Years 7 - 11).
- To ensure that the tutor group play a full part in School Council activities.
- To accompany the tutor group to assemblies.
- To collate and check the subject profiles for her/his tutor group, to summarise and comment on achievements and behaviour. To discuss the reports with students and with parents at the parent/tutor meetings.
- To ensure that all students have a clear understanding of the 'planning' necessary for a successful learning outcome, including revision programmes.
- To help advise students in KS3 on their KS4 courses. To help advise parents on realistic objectives for their sons/daughters. To help advise students in KS4 and the 6th Form on their further education and future careers.
- To teach the tutor group the tutorial programme. To contribute to the development of materials and method for the programme, and to the monitoring and evaluating of its objectives.
- To know the personal circumstances and learning abilities of each member of the tutor group so as to support and advise each student as she/he progresses through the school.
- To provide information for referring children with special needs and if required personally to take responsibility for liaison with support agencies.
- To ensure the most able students are identified and sufficiently challenged through the mainstream programme and extension activities.

Professional Development

- Maintain personal professional development to ensure that the knowledge and skills required to fulfil the role of Teacher of Science are up to date.
- Be a professional role model, and understand and promote the aims of the School and the values of the Trust.
